

## Lesson 6 "Little Hans"

### Right Hand Fun

Put your right hand thumb on the middle C as shown on the picture.  
Make sure you have a proper piano posture: sit up straight with both feet on the floor and relaxed shoulders.  
Count to three in each measure.

### Left hand fun

Put your left hand with your little finger on the lower C and your thumb on G. Check your posture: sit up straight and relax your shoulders.  
Count to four in each measure.

# Little Hans

Little Hans (Hänschen klein) is a traditional German folk song. It has its origins in the Biedermeier Period in the 19th century. Play "Little Hans" with your right hand. Count to four in each measure.

German folk song

## Exercise for playing with two hands together

Play a nice and smooth legato with your left hand. Please practise slowly

Left hand plays:

Right hand plays C-G together with every little finger of the left hand:
